

LABOR DAY SAFETY TIPS

2026

FIREWORKS SAFETY

- Have water in case of an emergency.
- Never allow children to hold fireworks.
- Obey all local fireworks laws.

GRILL SAFETY

- Keep pets and children away from the grill.
- Use baking soda to put out a grease fire.
- Use long-handed tools

FOOD SAFETY

- Wash your hands with soap & water before and after handling food.
- Thaw/marinate meats in the fridge.
- Do not leave food out for more than 2 hours or 1 hour on days hotter than 90° Fahrenheit.

DRIVE SAFE

- Check if your registration and insurance document are in order before you set out.
- DO NOT drink or text while driving.
- Check your tire pressure and include an emergency kit.

HEAT SAFETY

- Use sunscreen 30SPF or higher 20 minutes before sun exposure.
- Drink plenty of water.
- Wear a hat & sunglasses that block UVA & UVB rays.
