## AFRH Chief Operating Officer Fact Sheet 10A

**Subject: Availability of After Hours Non-Emergency Transportation and After Hours Medication at AFRH-Washington**

The information contained in Fact Sheet 10, dated July 11, 2005, *has been updated*. Residents should no longer refer to the information contained in original Fact Sheet 10 for subject information.

Residents who need information regarding the availability of AFRH-Washington After Hours Transportation and/or the availability of AFRH After Hours Medications should refer to the upcoming AFRH-Washington Resident Guide which will be issued to each AFRH Resident in June 2012. The update contained in the Resident Guide addresses the Transport of Powered Mobility Devices.

Steven G. McManus  
Chief Operating Officer
