CURRENT ANNOUNCEMENTS:

- **SERVICE DOGS:** Service dogs are working animals and must remain focused on their handler at all times. For the safety of all residents, do not approach, pet, call out to, or otherwise interact with service dogs in the halls or common areas. Even well-meaning attention can distract a working dog and create an unsafe situation. Thank you for your cooperation in helping maintain a safe and respectful environment.
- **MEAL TICKETS HAVE MOVED:** Meal Ticket sales have (successfully) moved! Meal tickets are now available at the Security Desk, Monday through Friday (excluding Federal holidays) from 0800-1500, subject to volunteer availability.
- **LOW VISION PROGRAM:** Robin Sniffen with the Biloxi VA Vision Impairment Services Team will be onsite Friday, May 15th to assist residents with low vision needs. She will be in Room 1235 (located across the hall from the Lord's Cabin) from 0800 until Noon to assist low vision residents.
- **SRTV CABLE:** Due to the recent cable outages, AFRH will credit SRTV cable subscribers for cable charges for the month of May. The credit will be applied to your June billing.
- **SCAM ALERT:** A new scam is circulating that appears to be an official court document from the State of Alabama, instructing recipients to appear in court on a specific date or pay a fine. This is not legitimate. Please delete the email immediately and do not respond or click on any links. If you have any questions or concerns, please contact staff.
- **NOISE COURTESY:** To help reduce noise between apartments, residents are asked to place felt pads or protective covers on the legs of chairs and other frequently moved furniture. Moving furniture without padding can create significant noise for neighbors, especially in rooms below. Taking this simple step can make a big difference in maintaining a quieter, more comfortable environment for everyone.
